FAQ's

When can we have access to our Bell tent?

You're welcome to drop belongings off at your tent on the morning of the wedding from 9:00am. We ask that you don't leave any valuables as we don't accept any responsibility for loss or damage to property on site. We ask that everyone has made their way off site by 10:00am the following day.

What facilities are available?

The luxury toilet unit will be operational throughout the night, which has mirrors and basin's. There are no shower facilities, and no power outlets available to campers.

What happens if the weather is bad?

Our tents are sturdy and fully waterproof, so more than capable of withstanding all that the British weather can throw at them. They are situated on a grassed area, and 100 meters from the marquee and toilets. So be mindful of this when considering footwear and perhaps bring an umbrella!
